Subject:	Veg Magi Blender V1949

I am writing to complain about the Veg Magi Blender that I bought 18 months ago. The machine developed a fault in the first 6 months and was replaced by you. After 14 months, a crack appeared the plastic lid on this second machine and after speaking to your Customer Services department, they promised to send me another lid free of charge. Despite several phone calls to your spares department, I am still waiting 4 months later for the replacement lid and am unable to use the machine.

I have several Chef Magic appliances and have previously been very pleased with them.

Please let me know immediately what action you now intend to take.
